

POSITION DESCRIPTION

Position title	Regional Carer Navigator (RCN)
Group	Carer Advisory, Response and Innovation
Classification	Level 4
Location	This role requires engagement across the region/areas in your catchment including face-to-face activities and meetings with the balance of work to be completed via hybrid working arrangements in line with business needs.
Reports to	Practice Lead

Organisational Purpose

Carers Victoria is a for-purpose organisation working to make sure that the almost 1 million unpaid carers across the state are understood, recognised and supported as while it is an important role, it can also be a challenging one.

To progress our vision of a future in which all unpaid carers are recognised, valued and supported, we:

- provide them with free with advice and information to help them in their role
- connect them to respite activities that allow them to take a break and recharge.
- deliver events and education for carers and carer-interested organisations
- collect, analyse and release information about carers so their role and their needs are better understood.

These contribute to our purpose of advancing understanding of Victoria's unpaid carers and improving their access to assistance – whoever they are, wherever they live, and whomever may be in their care relationship/s. Every Victorian will know, need and/or be an unpaid carer at some point in their lives so the potential reach of our work is significant.

Carers Victoria also prides itself on being an enthusiastic, inclusive, and fun workplace. The people who work with us tell us that they value our warm and welcoming work environment, our high level of flexibility and that the work we do makes a real difference. Our values speak to who we are and what matters to us:

Committed to carers and caring

Able to build and strengthen community

Respectful and united in our differences

Empower curious and creative pioneers

Responsible for our actions, we celebrate success, learn from the rest

Group Purpose

Carer Advisory, Response and Innovation

The Carer Advisory, Response and Innovation Group will have responsibility for leading the organisation's:

- Carer Advisory and Response Function, which encompasses the organisation's phone-based response to carers and others who contact the organisation via phone, email or other channels; delivery of phone based intake, assessment, advisory and linkage to funded respite and other opportunities (including the Statewide Carer Advisory Service and the proposed online Carer Portal)
- Funded carer programs, including those where staff are operating in other services (such as mental health and wellbeing) and programs such as In Touch. For these programs, there is a strong focus on both delivering existing requirements and preparing for future funding bids or new opportunities.
- Care governance and quality improvement functions, with a focus on building and embedding a continuous improvement culture, developing and implementing systematic approaches to support effective care governance across the organisation; and
- Continuing program of organisational transformation, to support the enhancement of organisational operating models, processes and systems (including the design, development and implementation of a cross organisational CRM, a supporting rules engine and an online carer portal) to maximise the organisation's impact and position it to be able to effectively bid for new opportunities as they arise.

POSITION DESCRIPTION

Position Description - Purpose and Objectives

Carers Victoria is committed to enhancing its engagement with and support of rural and regional carers, and the Regional Care Navigator (RCN) will play a vital role in achieving this goal across a designated geographic catchment.

Operating with a strong local presence, the RCN works under the guidance of a Practice Lead to engage new and existing carers, strengthen referral pathways, and collaborate with local organisations to enhance support for carers in the region and build a local Carers Victoria presence.

The RCN will:

- Support the design and delivery of funded respite services for unpaid carers within the catchment, and through these support the development of local connections and linkages to local supports
- Build partnerships with local organisations (including service providers, councils and other carer-interested organisations), delivering locally responsive approaches to help identify and connect new carers to advice and assistance
- Act as a first point of contact for organisations seeking guidance on how to best support unpaid carers.
- Based on their experience in the role, provide advice and insights to the Practice Lead regarding how Carers Victoria could enhance its support for regional carers

This role requires regular travel across the catchment, including to regional areas, with occasional overnight stays.

The RCN must demonstrate a person-centred and inclusive approach, be proactive and self-directed in managing work priorities, and possess strong communication & relationship building skills.

OUTPUT AND ACCOUNTABILITIES

Area of responsibility		Key elements (including but not limited to)
1.	Build awareness & partnerships across the region/areas	<ul style="list-style-type: none"> • Engage with identified local stakeholders to facilitate the identification of new carers and their connection to support and assistance and build collaborative relationships that directly benefit local carers. • Actively seek opportunities to collaborate with local organisations to achieve program objectives that improve outcomes for carers. These may, for example, include establishing referral pathways, co-hosting events, sharing resources or co-developing group activities. • Raise awareness of the assistance available through Carers Victoria among agreed local organisations, which may for example local councils, carer support groups and other relevant service providers • Foster strong regional networks to enhance support for unpaid carers and extend the reach of Carers Victoria's programs & services.
2.	Design and deliver local group activities	<ul style="list-style-type: none"> • Contribute to the planning and design of local group-based activities for carers. • Deliver/ facilitate local group-based respite activities for unpaid carers in designated catchment areas, aligned with approved activity plan. • Deliver additional group activities in catchment that may require travel to outer regional areas (Roving Respite program). This may include occasional overnight stays. Travel time & associated costs will be reimbursed in line with Carers Victoria's travel policy. • Regularly review feedback, evaluations, and other relevant data to identify improvements and ensure the ongoing relevance and quality of group activities. • Collect and report data on group activities, including both outputs (participation numbers) and outcomes (based on feedback survey). • Support the development of annual activity plans by identifying gaps in current service delivery, potential new locations, priority carer cohorts, and innovative group formats.
